

ARKANSAS FARM TO SCHOOL WEBSITE PROMOTION

Arkansas Farm to School Month 2021

This year, Arkansas Farm to School Month is themed “Connecting Schools, Farms, and the Community to Local Food,” and there are many ways to get involved!

Don't forget to share with us the activities you have planned. Visit our website to learn more: arfarmtoschool.org/about/farm-to-school-month/.

The Arkansas Department of Agriculture is pleased to announce the launch of a new multi-platform website that partners Arkansas Farm to School, arfarmtoschool.org, with Arkansas Grown, arkansasgrown.org. It is the first website of its kind that connects farm to school to a state's local food branding programs.

The connected website offers many features, including interactive maps of school gardens, local procurement activities, farms, and producers across the state. Schools that add or update their school garden and local procurement information on the website will receive a **FREE Arkansas Farm to School plaque** that can be displayed in the school garden or cafeteria. Also farmers who have sold, or are interested in selling, to schools can add the "Local Procurement" category to their Arkansas Grown listing and receive a FREE plaque as well.

Receive a FREE Farm to School Plaque!

Add or update your farm to school listing to qualify for the promotion.

Promotion Available: September 1 - October 31, 2021.
