

VIRTUAL FARM TOUR

Arkansas Farm to School Month 2021

This year, Arkansas Farm to School Month is themed “Connecting Schools, Farms, and the Community to Local Food,” and there are many ways to get involved!

Don't forget to share with us the activities you have planned. Visit our website to learn more: arfarmtoschool.org/about/farm-to-school-month/.

Have you ever wondered where your ice-cold milk came from? Or how long it takes for milk to travel from farm to table? Your classroom is invited to join us for a **FREE live Virtual Farm Tour** of Triple A Farms in Bentonville, Arkansas on Thursday, Oct. 14, 2021, 9:00-9:45 a.m. CST.

Using video chat technology, your class will get a peek at barns, cows, and more as they see and learn firsthand how dairy farmers care for their cows and land while producing delicious milk, cheese, yogurt, and ice cream for you to enjoy.

Upon registering for this event you'll receive confirmation and reminder emails, and a link valid for **one** device.

If other teachers wish to join from their own devices, they must register separately to receive their own unique link to join.

This event will also be live streamed via YouTube. The link to view the live stream will be included in your confirmation and reminder emails.

This tour is brought to you by the Arkansas Department of Agriculture, the Arkansas Farm to School Collaborative, Midwest Dairy, and Discover Dairy.
