Join other schools in the state to celebrate farm to school!

We will gather at Pinnacle View Middle School on October 12, 2022 at 11 a.m. CST.

You will hear a message from Governor Hutchinson and Secretary of Agriculture Wes Ward. Banners will be presented to the winners of the 2022 Arkansas Grown School Garden of the Year Contest during the event. You will also have the chance to win some fun farm to school prizes for attending!

The National Farm to School Network first started this trend in 2010 by having National Farm to School Month designated by Congress. Since then, more and more states have joined in with celebrations.

Arkansas has been formally recognizing Arkansas Farm to School Month since 2014 when then-governor Mike Beebe first proclaimed October as Arkansas Farm to School Month. Governor Asa Hutchinson has continued the tradition every year since. We are excited to gather again to celebrate for the first time since 2019!
